(a) The State agency will provide aid in the form of foster care for each otherwise eligible child:

1. Who was removed after April 30, 1961, from the home of a relative specified in the AFDC plan, as a result of a judicial determination that continuance in the home of the relative would be contrary to his welfare, for any reason, and who has been placed in foster care as a result of such determination; and
2. Who, in or for the month in which that court action was initiated, was receiving AFDC, or would have received AFDC if application had been made; or
3. Who lived with a relative specified in AFDC plan within six months prior to the month in which that court action was initiated, and who would have received AFDC in or for such month he had been living with (and removed from the home of) such relative and application had been made for him; and
4. Whose placement and care are the responsibility of the Division of Youth and Family Services.

(b) Children eligible for AFDC foster care will be so identified in their individual service plans (case records). A monthly compilation of children in the AFDC foster care program, in the form of a computer printout, will be maintained by the agency.
